

Former North Carolinian Man Steps Up to Discuss the Foreclosure Epidemic & How Investors Can Help Trapped Homeowners In Need

Defaulted mortgages are escalating, leaving homeowners facing foreclosure and in need of help. Former High Point, NC resident, Jeff Kaller and ForeclosuresDaily will be sponsoring a seminar on how to ethically help these homeowners.

Greensboro, NC (PRWEB) July 22, 2006 -- ForeclosuresDaily.com and leading foreclosure expert, Jeff "Mr.PreForeclosure" Kaller will be presenting a seminar on how to help people facing foreclosure on Saturday, July 29, 2006 from 9:00 am to 5:00 pm in Greensboro, NC.

"With the new legislation passing, there is a fine line to walk when trying to help these homeowners. One wrong step and you can face stiff penalties. Homeowners have less options now, and helping them can be quite tricky," says Dustin Mathews, representative of ForeclosuresDaily.com.

ForeclosuresDaily.com and Jeff Kaller will teach those interested, the effects of the passing legislation, how to locate people in foreclosure, and presenting solutions to homeowners, among other topics.

The event will take place on Saturday, July 29th at the O'Henry Hotel located at 624 Green Valley Road, Greensboro, N.C. at 9:00am.

Those interested in aiming for financial independence through real estate investing who wish to register for the Expo, please contact ForeclosuresDaily.com by calling 866.383.6694 or registering online at: ForeclosuresDaily.com

About ForeclosuresDaily.com

ForeclosuresDaily.com (www.ForeclosuresDaily.com) is an online foreclosure listing service providing accurate and up-to-date information on real estate investment property leads. Their researchers are at county courthouses throughout Florida and North Carolina on a daily basis, examining mortgage foreclosure case files while extracting pertinent information from them. They then combine the data from the foreclosure case file with the county tax assessors' and property appraisers' offices, which gives their clients a clear and concise view of the financial and physical description of the subject property.

ForeclosuresDaily.com does the time-consuming and labor-intensive, yet crucial job of compiling data—in one centralized location—so that subscribers to their service can focus on getting the deals on foreclosures and pre-foreclosures.
