Largo, FL—Customers of ForeclosuresDaily.com now have quicker access to foreclosure home valuations that they are searching for through their system. ForeclosuresDaily.com today announced that Zillow API will be providing home valuations for properties in the ForeclosuresDaily database.

“This partnership arms our customers with the comparables sales information that they need to make informed decisions regarding possible foreclosure property investments” said company President Mike Kane in a statement.

“The detailed information that Zillow API is providing us enables our clients to quickly and easily have an idea of a homes value right through our website. Since the information is integrated directly into our site, it makes it easy for the customer to access.”

ForeclosuresDaily.com was founded in the Tampa Bay area in 2004 and is now Florida’s leading foreclosure information provider. The company provides foreclosure and preforeclosure information in 34 counties in FL and 7 counties in NC. ForeclosuresDaily.com is an active member or the Better Business Bureau (B.B.B.) since 2005 and is an affiliate member of the Greater Tampa Association of Realtors (G.T.A.R.) and the Pinellas Realtor Organization.

Mike Kane is President and co-founder of ForeclosuresDaily.com (a division of Quantum Resource Group, LLC) headquartered in Largo, FL. The company has experienced year-over-year growth of 673% which poises it to fulfill its goal of being the #1 national provider of information, training and resources for real estate investors. Mr. Kane is a member of the CEO Council of Tampa Bay since 2005.
